A romantic photograph of a bride and groom in formal wedding attire. The bride is wearing a white lace-trimmed dress and a long veil, while the groom is in a dark suit with a patterned tie. They are standing outdoors with trees in the background, looking at each other with smiles.

SPECIAL PHOTOGRAPHY PACK - TWO PROFESSIONAL PHOTOGRAPHERS

If you choose the special photography pack, we are a team of two professional photographers. Unlike others, having more than one photographer ensures a much broader vision, allows you to document all the micro-scenes that happen during the wedding and work with various types of optics, guaranteeing material very rich in visual contrasts, details, macro photographs, environment... Ensuring a diversified report of high photographic quality, which means betting on a product of unmatched quality-price. We are aware that that day, each scene is unrepeatable. That is why we guarantee 100% effectiveness and reliability in our work.
