Cinema package

6 REASONS TO HIRE THE CINEMA PACK

1. Simultaneous coverage: By having two videographers, we can be in two places at the same time. Documenting the most important moments both at the same time.
2. Specialized optics: We use different lenses during filming to guarantee a film rich in details and nuances.
3. Cinematic narrative: We combine multiple angles and perspectives to create a fluid and dynamic visual narrative that tells your story in a unique and exciting way
4. Security and backup: Having two videographers minimizes the risk of missing crucial moments and ensures coverage from different angles and points of view
5. Aerial drone shots: We include aerial shots to offer unique and spectacular perspectives that enhance the film and provide visual dynamism, achieving a more professional report
6. Excellent quality-price ratio: This pack offers comprehensive, high-quality coverage at a very competitive price. Ensuring a memorable film without compromising a high budget.

Because your day deserves a film as unique and special as you are.

A romantic wedding photograph of a bride and groom. The bride is on the left, wearing a white lace-trimmed wedding dress and a long, flowing lace veil. She has dark hair and is smiling warmly at the groom. The groom is on the right, wearing a dark grey suit, a white shirt, and a blue patterned tie. He is also smiling and looking at the bride. They are standing outdoors, with a blurred background of green trees and foliage. A semi-transparent grey banner is overlaid across the bottom half of the image, containing text.

VERTICAL REEL 1 MINUTE

A dynamic, fresh and exciting summary that captures the best moments of your day. Perfect for sharing on Instagram and with family and friends in a quick, visual and fun way. Relive and share the essence of your wedding in just 1 minute!
