# Pack minimal

## WHY CHOOSE THIS PACK?

Elegance and simplicity: We capture the most key moments without needing to cover the entire day

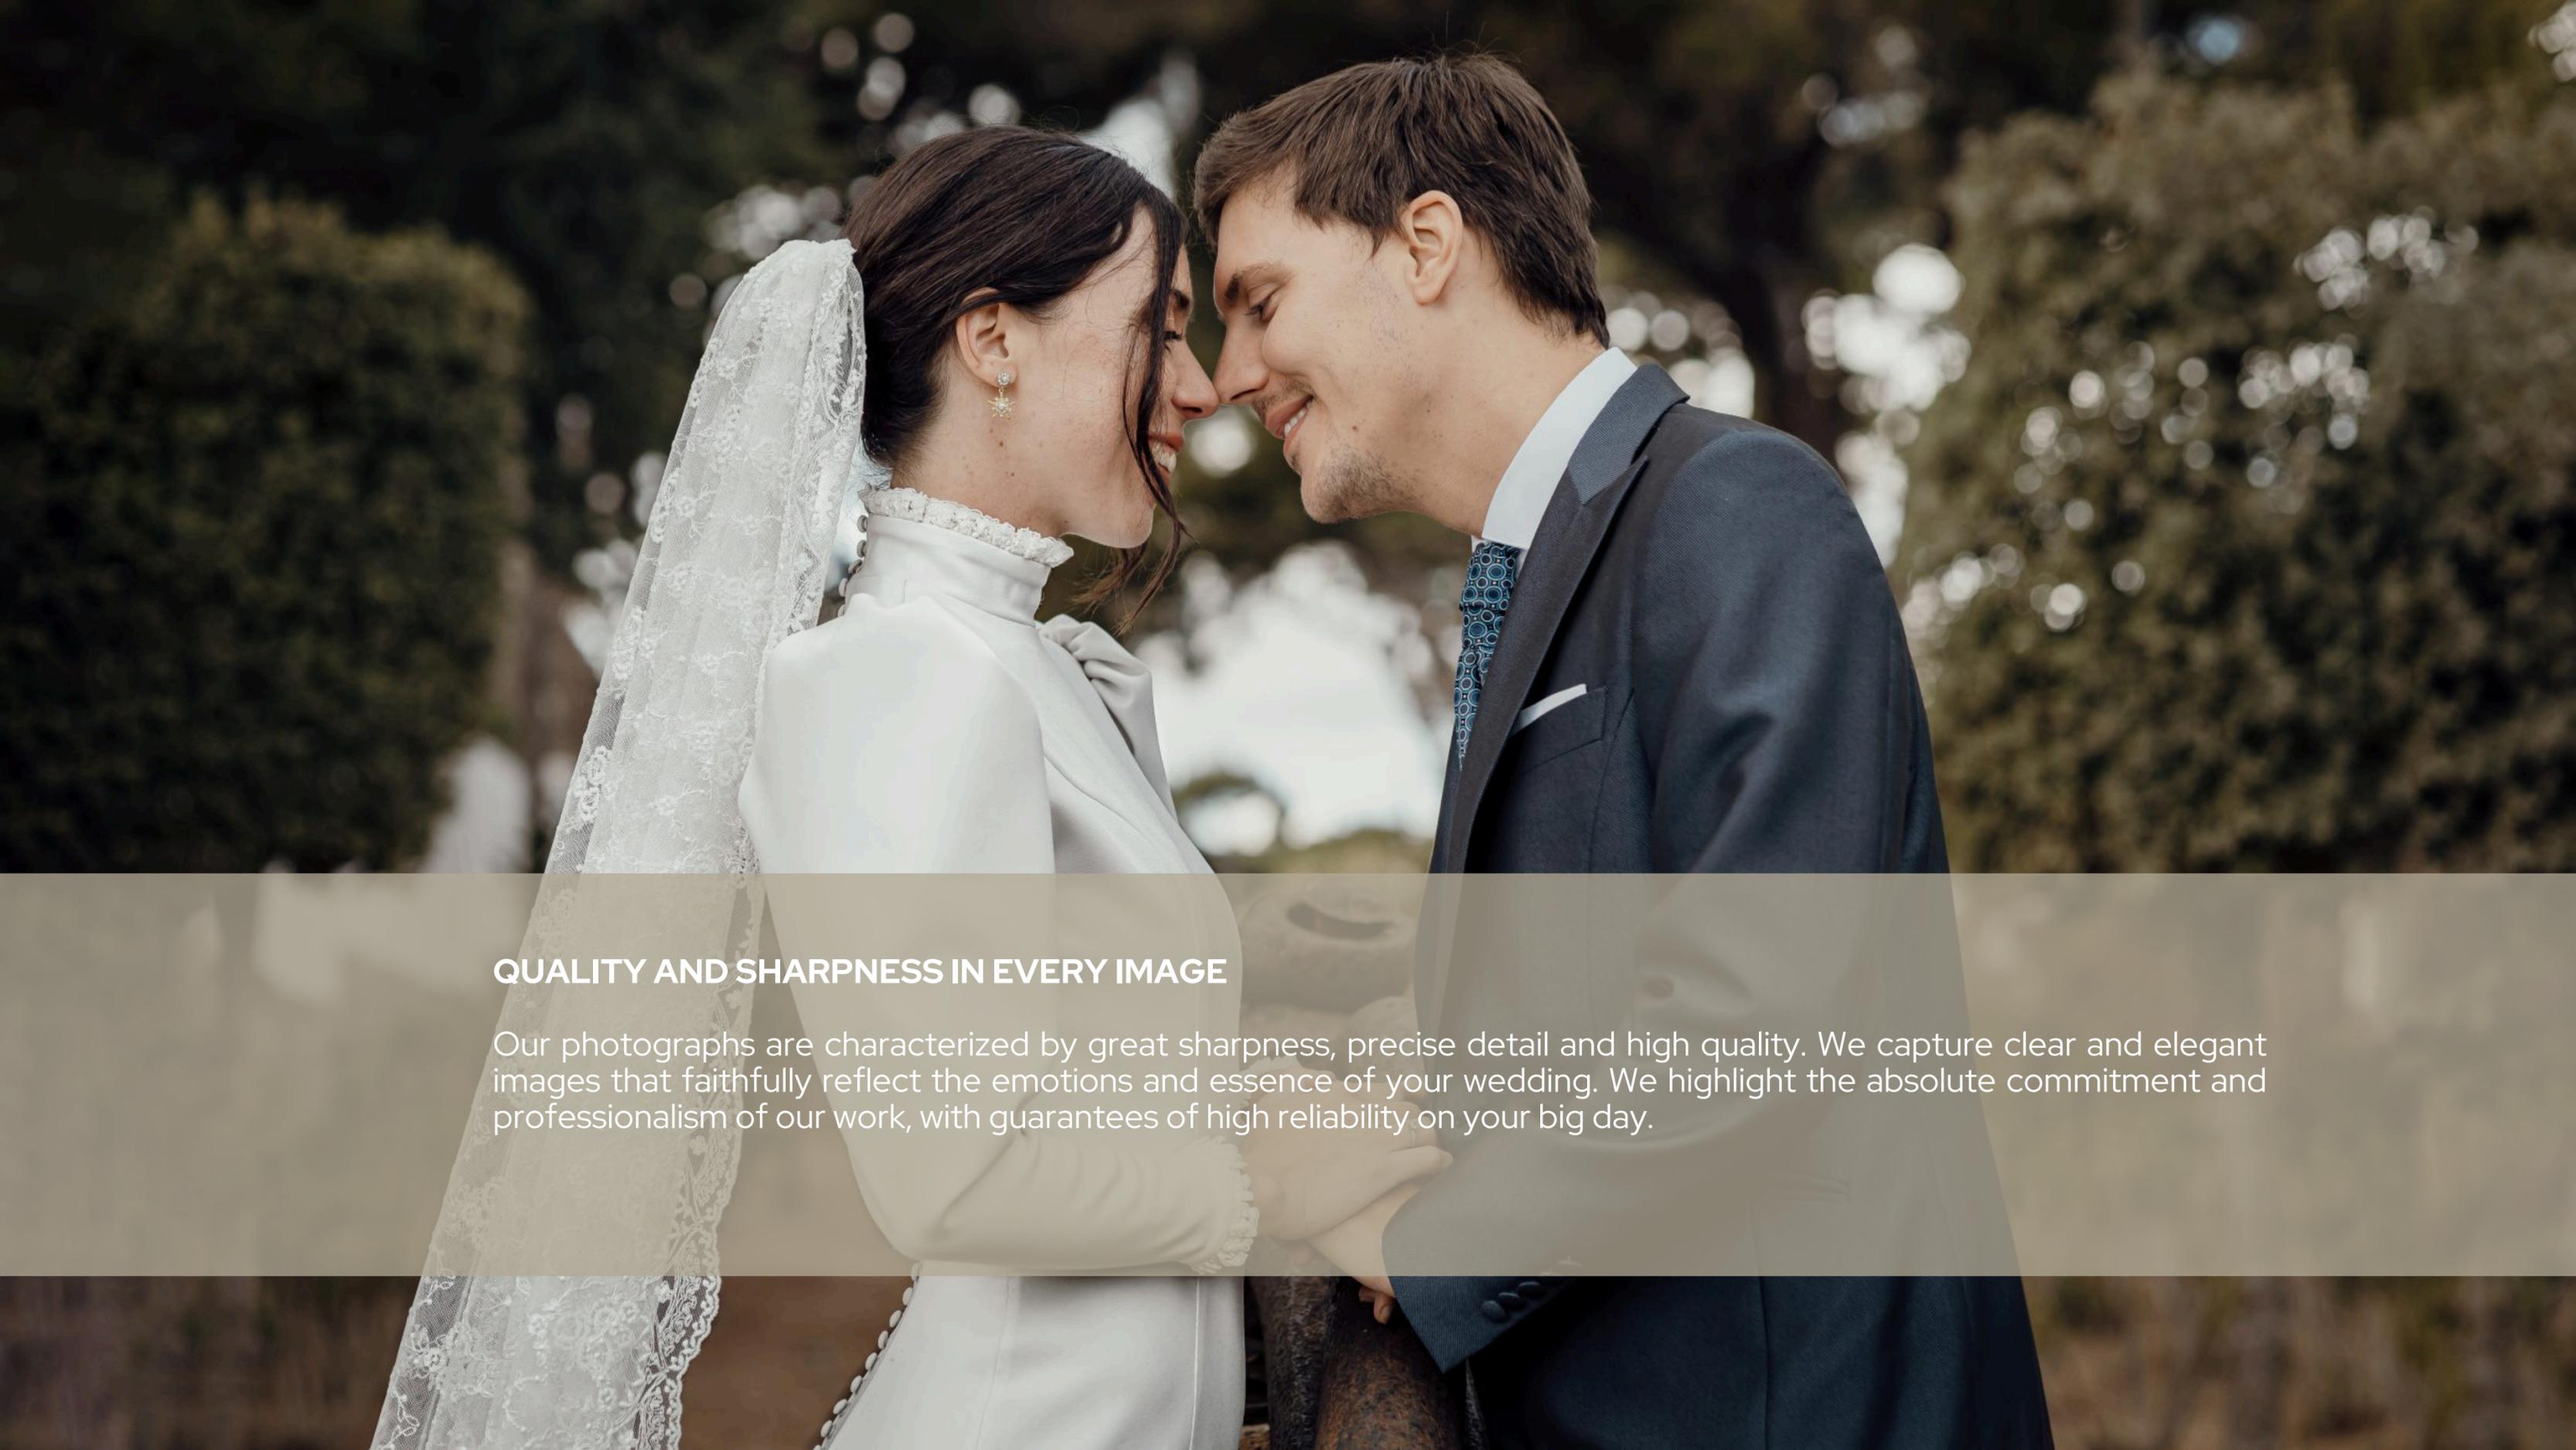

Very professional report with high quality images

Total flexibility: Add additional hours if you need it

Investment with added value: Ensure a photographic report that balances quality - price and that your wedding deserves

Ideal for intimate weddings or short ceremonies. If you are organizing a small format wedding or a civil celebration, it is the perfect pack for you

A romantic photograph of a bride and groom in wedding attire. The bride is on the left, wearing a white lace-trimmed dress and a long veil. The groom is on the right, wearing a dark suit and a patterned tie. They are standing outdoors with trees in the background, looking at each other with smiles.

## QUALITY AND SHARPNESS IN EVERY IMAGE

Our photographs are characterized by great sharpness, precise detail and high quality. We capture clear and elegant images that faithfully reflect the emotions and essence of your wedding. We highlight the absolute commitment and professionalism of our work, with guarantees of high reliability on your big day.
