

Photography + video package

Our photography and video package is a comprehensive and complete service designed to offer you a high-quality photographic report and a video summary in film format of 10 minutes duration, in cinematographic style, which captures the most important moments of your day.

The whole process is managed directly by us, avoiding the need to coordinate different suppliers and facilitating the organization and logistics for you.

This pack includes the drone service, providing dynamism and unique aerial planes that will make the video gain in visual impact and originality.

This pack stands out for being an economical option, with an excellent quality standard, ideal for those looking for a complete souvenir without having to assume high costs.

Price: 1950€ VAT included

Drone included

A romantic photograph of a bride and groom in formal wedding attire. The bride is wearing a white lace-trimmed dress and a long veil, while the groom is in a dark suit with a patterned tie. They are standing outdoors with trees in the background, looking at each other with smiles.

GREAT PHOTO REPORT

We document all the micro-scenes that happen during the wedding, working with various types of optics, guaranteeing a material very rich in visual contrasts, details and nuances, macro photographs, environment, portrait... Ensuring a diversified report both in photography and in video, which means betting on a product of unmatched quality-price. We are aware that that day, each scene is unrepeatable.
