

Minimal Pack

THE BEAUTY OF SMALL MOMENTS, PRESERVED WITH ARTISTRY

If you are planning an intimate wedding, in a small and exclusive setting, surrounded by your closest loved ones, but still want to capture every moment with exceptional photographic quality, this pack is perfect for you.

Without having to rely on improvised phone pictures or putting a guest in an uncomfortable situation, this service guarantees a professional, elegant, and timeless wedding reportage of the highest quality, allowing you to relive every emotion of this special day.

Even if it is a small and intimate wedding, it remains a unique and unforgettable moment that deserves to be captured with the utmost care and professionalism. Entrusting these memories to an inexperienced person may result in blurry images, lighting issues, poorly framed shots that fail to do justice to the emotion of the moment, or even the loss of files.

Hiring a professional photographer ensures not only beauty and excellence, but also the peace of mind of knowing that everything is under control and that, in the end, you will receive a wedding reportage of exceptional quality, carefully crafted down to the smallest detail.

CEREMONY

4-hour coverage capturing the most important moments of your wedding day: ceremony, cocktail, and couple's session. Adaptable to your needs.

For those wishing to extend the coverage, €90 per additional hour.

A minimum of 300 professionally edited high-resolution photographs.

Digital delivery, meticulously organized into folders, within 7 days.

We work with top-tier lenses, using a variety of focal lengths to provide a comprehensive, diverse, and artistically rich reportage.

Our cameras record on two memory cards simultaneously, ensuring an instant backup of every image from the moment it is taken. Once full, these cards are securely stored in separate locations to guarantee maximum protection.

This highly secure protocol significantly reduces the risk of data loss, offering you absolute peace of mind and the highest level of protection for your wedding reportage. On your special day, leave nothing to chance.

Price: €650 (VAT included).

EXTENSIVE PHOTOGRAPHIC COVERAGE

We document all the micro-scenes that take place during the wedding, working with various types of lenses to ensure a visually rich material full of contrasts, details, and nuances, including macro photography, environment shots, and portraits

By delivering a diversified report in both photography and video, we offer an unmatched quality-price ratio
We understand that every moment on this day is unique and unrepeatable
