RELIABILITY AND ACCOUNTABILITY GUARANTEED:

By working with two photographers, you'll not only have broader coverage, but also the assurance of security and efficiency. We double our capacity to capture every moment, minimizing the risk of missing crucial moments. 100% reliability, with no margin for error.

Five reasons to choose this package:

1. Two locations at once, if needed. With two photographers, we can be in two different locations simultaneously.
2. Professional quality: We work with specialized lenses to adapt to every situation, from wide-angle to macro photography for capturing the smallest details, and the best lenses on the market. We guarantee impeccable, premium results.
3. We want to give you peace of mind. Our cameras use two memory cards simultaneously, so each photograph is automatically duplicated, in case one is damaged or lost, creating a backup of the files. This ultra-secure protocol reduces the risk of incidents to zero.
4. Absolute peace of mind. Two photographers ensure that every moment is captured. More angles, more details, and more memories of your special day.
5. Backup service for the entire photo shoot, stored for one year.

Add value to your report with professional aerial photography for just €300 extra.

I WANT A GUEST BOOK ON MY WEDDING DAY

Special Photography Package
I want a guest book on my wedding day

A unique keepsake for life. It's an elegant and emotional way to preserve special moments through the messages from your family and friends.

It's not just a book, but a treasure of emotions. Over time, this book will become even more valuable, as it will hold the words of those who, one day, may no longer be with us – but whose love and messages will remain forever.

This guest book includes 40 pages in horizontal format and offers an elegant and heartfelt way to preserve the most special moments from your wedding day.

Additionally, you can personalize it by adding photos from your engagement period at no extra cost. You just need to send them to us in advance, and we'll take care of designing it with care. If you prefer a guest book without photos, that's also possible. To ensure the book is ready on your wedding day, it must be ordered several months in advance.

We will personally deliver it to you on your wedding day.
